

Great feedback from students and new starters to the Oncology clinical areas: friendly and supportive teams, made to feel very welcome and part of the ward team.

There are various Link Nurse roles to get involved with including: Infection Control, End of Life Care and Nutrition

Our Oncology service is the largest cancer facility in the East Midlands. Specialist treatment is delivered by a team of committed, highly skilled staff, including 100 nurses who are supported by the Clinical Educator

Your 5 Moments for Hand Hygiene

Moment	Description
1	Before patient care
2	Before a clean/sterile procedure
3	After body fluid exposure risk
4	After patient care
5	After contact with patient surroundings

There are many opportunities available within Oncology to suit your individual needs, including:

- ◆ Hogarth ward (Teenage Cancer Trust unit)
- ◆ Fraser ward (female)
- ◆ Gervis Pearson ward (male)
- ◆ Oncology Day case
- ◆ Chemotherapy clinic

You will be fully supported by our Clinical Educator who works within the Oncology Unit, their role includes:

- ◆ Local inductions/Preceptorship
- ◆ Support clinically on the wards
- ◆ Practical support to make you IV/Chemotherapy competent
- ◆ Facilitating the 3 day Oncology Foundation Programme

Continuing Professional Development is encouraged and supported, there are opportunities for you to complete the Mentor's course and University modules
